SONIC-GRAMS

OFF PANEL By Gallagher and Manak **THIS JUST IN!**

What's up, people? Last month, we told you about SegaCon. It has been postponed until next year. Check their website for more details. Now, rather than boring you about the trials and tribulations of being an editor in this crazy biz, I'm going to step aside for our (drum roll please)... **LETTER OF THE MONTH:**

Dear Sonic,

Hmmm, I just finished SONIC THE HEDGEHOG #62 and to me it was a little boring. It was a big improvement over #61, though. Issue #62 was even better since it had a mysterious stranger orbiting Mobius!! Please let it be Robotnik! I miss him so much! Please say that that's him and he will make a comeback soon. I'm crossing my fingers and hoping that it's him. On another note, what's up with those wild Robians? Is the reason why they're wild and against the Sand Blast Freedom Fighters because they haven't been given back their free will? I also really like the return of Heavy and Bomb with the new "Majesty's Secret Service" story line. It has been so long since I last saw them that I wondered what had happened to them. They may not fit in on the Floating Island, but they'll fit in with Geoffrey St. John and his trainees. On an entirely different note, SONIC SUPER SPECIAL #6: Sonic 50-The Director's Cut looks great. I can't wait to get my hands on it. Keep up the good work.

Kathleen Najera
Lakewood, CA

So you want to know who that mystery character circling Mobius is? Why... it is me! (Insert: maniacal laugh!) Well maybe not. All I can tell you is to keep reading. (Don't want to ruin any surprises for you or any of our other readers.) Anyway, I am sure that, unlike you, Sonic would probably NOT be too happy to find out IF it was Robotnik that had come back. As for the Robian question, that will be answered in upcoming issues. Thanks for your comments on SONIC #62. More to follow so stick around.

CATCH YOU ON THE FLIP SIDE!

Dear Sonic-Grams,

You guys are doing a fantastic job on SONIC. Keep it up! However, the blue blur seems to be going on a major ego trip in issue #62. Tails better try hard to knock some sense back into him quick! I have just one question: Are Rob O'Hedge and Antoine's father going to be back soon? I want to know more about what's happening to them and if Antoine is ever going to know that his father is really alive. See you guys next issue.

Alexandria Cuellar
Washingtonville, NY

Well, Alexandria, all that we can tell you is that Sonic's ego won't get out of hand...much. We're glad to hear that you have been enjoying the comic. To answer your question, we can only say that as of right now it seems like both of those characters will return to the pages of future SONIC THE HEDGEHOG comics, but then, of course, no one knows what the future holds!

Dear Sonic,

I really like your comics and games. I think that they have very good plots. My favorite characters are yourself, Tails and Knuckles. I'm glad that you are all friends now. I have some questions for you, though. 1) In #62, was that Robotnik's hand? 2) Will Knuckles ever find out his dad's name? 3) Can Tails ever have his own

regular series? 4) Do you like gumballs? Also, I hope that someday you can "de-robotize" Uncle Chuck and Muttski.

Your good fan,
Melanie Quintos
Elmira, NY

Melanie, 1) First of all, the hand that you saw at the end of issue #62 will remain a mystery for now. As mentioned in the response to the 'Letter of the Month,' stay tuned for the answer to that one. 2) Knuckles has been searching for so long to find out more information about his father, so we're sure that sooner or later he will find out all he needs to know. 3) On another note, Tails is still very young, so he has time before he requires his own regular series. Well, that answered all of your questions; thanks for writing. Oh, and by the way, Sonic LOVES GUMBALLS. (Not as much as chili dogs, though).

Dear Sonic, Knuckles, and Tails,

Hey, guys! What's up? Nothing much here for me. I have collected your comic book for two years now. I think now's a good time for questions, and I have plenty of 'em. First: Knuckles, how do you pronounce Archimedes? Second: Sonic, do you think you should pop the question to Princess Sally before Geoffrey St. John does? Third: Will all

of your fans, including me, see evil Sonic and Knuckles again? And lastly: Sonic, in comic #52, why did you go back in time? Thanks for your time. All you guys rock!!!!

Michael Gajdos
Solon, OH

Well, Mikey, let me see if we can answer all of your questions. 1) Archimedes is pronounced "Ark-E-Me-Deez." Sound that out and that is how it is pronounced. 2) If you feel that Sonic should pop the question we will relay the message to him. We can't say for sure if that is a consideration running through his mind right now. 3) Well, we cannot say for sure, but it is definitely a possibility, and you should keep on reading to find out. And last, but not least, Sonic did not go back in time, but instead he went to a different zone. It was dubbed "The Discovery Zone" by Sonic. Why? He was quoted as saying, "I didn't discover that zone in that cave. It discovered me!" Well, that's it for this month. Thank you all for your comments. See you in thirty. And remember...

KEEP ON JUICIN'!
